

## Dear Opplevelseskortet user!

The card offers you, either by yourself or with a guardian, access to a range of cultural activities and experiences in Grimstad and its surrounding region. Please be aware that you will not be given free access more times than what is says on the card. Opplevelseskortet is personal, and can only be used by you. The card works as a pass with a set number of credits, and must be presented at the ticket desk for every activity. Keep it safe!

If you would like more offers, you can sign up for Opplevelseskortet's newsletter. You can do this by sending an email marked Nyhetsbrev to [anita.aabel@grimstad.kommune.no](mailto:anita.aabel@grimstad.kommune.no). The newsletter has information on offers during the holidays, and on any additional offers that may become available to users of Opplevelseskortet.

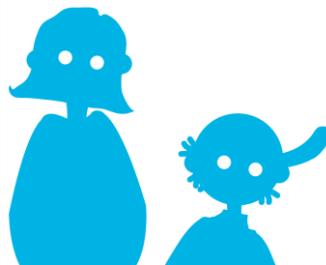

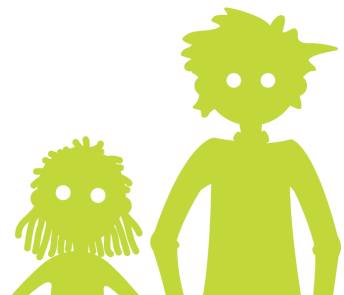

We hope that you are happy with the card and enjoy lots of excellent adventures in 2023!

Yours sincerely,

NAV Grimstad and Grimstad municipality, cultural services
